Admission Number

The admission number for reception is 120

Ethos and Values

Our website will provide you with a glimpse into our over-subscribed school which is in the Anglo-Catholic tradition of the Church of England and closely linked to our parish church, Christ the Saviour, Ealing Broadway.

We are an inclusive school which is firmly rooted in the deep spirituality and reflective liturgical life of the anglo-Catholic tradition in the Church of England with two Sung Masses each week.

High academic standards in English, mathematics, science and ICT are the pillars upon which the rest of our curriculum is built. These standards are enhanced by high-quality programmes in music, art and sport. This sound educational grounding is made complete by the prayerful Christian atmosphere and civilized ethos which pervades the school. Pupils are guided to grow personally, academically, morally, socially and spiritually. The school is judged as outstanding.

Summary of Special Educational Needs Policy

The inclusion leader assists class teachers in identifying children with special educational needs and arranges suitable programmes of work in line with the SEN code of practice and the DDA. Appropriate children may be referred to the school's educational psychologist and additional support may be provided. Regular reviews are held by the SENCO with class teachers and parents.

Provision of School Meals

School lunches are currently provided by an independent company.

Travel policy

Children are encouraged to cycle or walk to school or come by public transport. The school has a travel plan.

After School and Breakfast Club

The school operates its own breakfast club each morning on both school sites.

An independent after-school club operates daily.

Distinctive Ethos and Commitment

All parents applying for a place here are expected to respect and support the distinctive ethos of the school, its church and its importance to the school community. **We have a strong Christian identity and daily worship in the anglo-Catholic tradition of the Church of England.** This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.

In allocating places, the governors apply the following criteria in this order:

8. The child or the child's family has a particular social, medical or personal need. This application should be supported by a letter from the applicant's parish priest, religious leader, medical consultant or other appropriate body, which will be treated in the strictest confidence, and which clearly states why it is necessary for the child to attend Christ the Saviour Church of England Primary School above other schools.
Priority will be given to parents in this criterion whose child has a sibling (see note d) attending the school at the time of entry.

Distance:

In all categories where there are more children than places remaining, priority will be given to the applicant living closest. Distance will be measured in a straight line from the door of the child's home address, to the middle gate leading to the porch of Christ the Saviour Church, W5.

Tie break: In the event that the distances are equal, the Local Authority will draw lots to determine which applicant should be offered the place.

Looked after Children and Previously Looked After Children

Note a)

A looked after child is a child who is in the care of a local authority or provided with accommodation by that authority. Previously Looked After Children are pupils who had LAC status but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

Deferred Entry to School

The school admits all pupils starting reception in September each year following their fourth birthday. However, parent

- i) can request that the date their child is admitted to school is deferred until later in the academic year or until the term in which their child reaches compulsory school age, and
- ii) parents can request that their child takes up the place part-time until the child reaches compulsory school age.

Delayed Entry to School

Parents may seek places outside of their child's normal age group. The decision is made by the governing body on the basis of the circumstances of each case.

The governing body will look at the following factors, when considering the case put forward by the parent but these are not exhaustive:

- The needs of the child and the possible impact on them of entering Year 1 without having first attended the reception class;
- In the case of children born prematurely the fact that they may have naturally fallen into the lower age group if they had been born on their expected date of birth;
- Whether delayed social, emotional or physical development is adversely affecting their readiness for school;
- Any other information which the parent requests the school to consider

Note b) The governors regard the following as signs of frequent worship within the Church of England and evidence of all three criteria must be shown:

- the child is baptised
- at least one parent or guardian is a member of the **electoral roll** of the Parish
- at least one parent or guardian holds a **recognized position of responsibility** or **involvement** within the Church

A similar degree of commitment to other denominations is expected for applications falling under criteria 5 and 6 above. (Note c)

The term **Christian church** is taken to mean any church affiliated to **Churches Together in Britain** and Ireland and members of the **Evangelical Alliance**.

Note d)

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parents/carers partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

Note e)

The governors regard the following as signs of **practising members** of other world faiths:

- at least one parent has attended a meeting of the local religious community on a weekly basis for a minimum of two years
- at least one parent holds a position of responsibility or involvement within the local religious community

Note f)

In cases where a child spends part of the week in one location with a parent/guardian, and part of the week in

another with another parent/guardian where they are 'resident' shall be deemed to be the location of the nearest home to the school.

Any child whose application is unsuccessful can be placed in a pool at the request of the parent.

Admissions from the pool will also be dealt with in accordance with the criteria above.

Any child whose application is unsuccessful can be placed on a waiting list which will be kept for a year at the request of the parents/guardian. Admissions from the waiting list will also be dealt with in accordance with the criteria above.

If a child is not offered a place at the school an appeal may be lodged against the decision. Forms are available from the school and should be returned to:

Committee Section

Ealing Town Hall

New Broadway

Ealing.

The appeal hearing will take place as soon as possible in accordance with the provisions of the School Standards and Framework Act 1998. If an application is received after the given date it will be regarded as a late application, put in the pool and be dealt with in accordance with the criteria above after the closing date.

In-year (casual) Admissions

Applications for in-year admissions are made in the same way as those made during the normal admissions round

If a place is available and there is no waiting list then the local authority will communicate the governors' offer of a place to the family

If more applications are received than there are places available then applications will be ranked by the governing body in accordance with the oversubscription criteria, with the following modifications: children without an offer of a school place are given priority immediately after other looked-after children.

If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list.

This waiting list will be maintained by the governing body in the order of the oversubscription criteria and not in the order in which the applications are received.

Names are removed from the list at the end of each academic year.

When a place becomes available the governing body will decide who is at the top of the list so that the LA can inform the parent that the school is making an offer.

Any child whose application is unsuccessful can be placed on a waiting list which will be kept for a year at the request of the parents/guardian.

Admissions from the waiting list will also be dealt with in accordance with the criteria above.
