AUTUMN 2026

CLUBS

AUTUMN 2026

Welcome to our programme of morning, lunchtime and after-school clubs, where children can develop an existing skill or discover a new passion.

There's something for everyone: sport, performing arts, creativity, music, activities such as chess, cookery and coding, or simply childcare. Look out for the new Multisport club at the Grove, and table tennis at Broadway.

Places are limited, so to avoid disappointment, please pay promptly on ParentPay when bookings go live.

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

ENQUIRIES admin@cts-school.org | 020 8249 6800

CLUBS RUN FOR 11 WEEKS: 21 SEP - 7 DEC

Club payments

Parents can ask the school office for access to a computer if needed. Payments for breakfast club and after school clubs must be made in advance.

Refunds

Refunds are only provided if a club does not run. Fees cannot be refunded if a child changes their mind, or a day becomes inconvenient.

Dress code

Pupils wear school uniform or school PE kit for all clubs held at school. School PE uniform may be worn all day if a child attends a sports club.

Collection

Please collect children promptly at 4pm at both sites.

By signing up for a club you are agreeing to pay for the club for the whole term irrespective of whether your child attends all sessions. Some clubs are more popular than others and all have a maximum number of children that can participate, therefore we operate a waiting list for oversubscribed clubs. Please email: **admin@cts-school.org** if you wish your child to be added to a club's waiting list.

Behaviour

At Christ the Saviour School we have high expectations for behaviour during the school day and these expectations are the same for children attending extra-curricular clubs. If a child's behaviour impacts other children attending the club, parents will be informed. Club leaders have the right to discontinue a child's attendance if a child's behaviour does not improve. No refund will be paid in these circumstances.

Administration charges

An administration fee of £10 will be charged if alterations to bookings are requested and agreed.

Refunds

Refunds will only be made if the club is unable to run. Refunds are not provided if the club moves indoors in bad weather or if your child does not wish to continue. Please ensure you do not book clubs that run on the same day, as we will not offer refunds in this case.

Pick-up

All clubs finish at 4pm on both sites. Please collect your child promptly at 4pm. Late collection from clubs will incur late charges. If parents arrive at school after 4.10pm for collection a charge of £5 will be added to their ParentPay account. Collections later than this will incur further charges. If you have children at clubs at both sites on the same day, please do try to share pick-ups with other families. If you know you will be late to collect your child please book them into SSUK, which is open until 6pm each evening. Bookings can be made via their website: **www.ssukkids.com**.

Disclosure of information

To ensure that club leaders are able fully and safely to meet the needs of the children in their care, we ask your consent for us to provide relevant information about your child to the club leader. Please let us know if you do not consent to this.

WHEN	Mon (Y4–6) **15.10–16.00**
WHERE	Broadway art room
AGE	Years 3–6
LED BY	Alison McCulloch
COST	£9.50 per session

At art club children will explore a range of techniques and mediums. Art supports children in developing their communication and problem solving skills. Children will improve their fine motor skills and boost their self expression and creativity.

WHEN	Wed (Y1–4) **07.45–08.30**
WHERE	Broadway room (Grove children are walked back to the Grove)
AGE	Years 1–4
LED BY	lauren@roseballet.co.uk
COST	£12.00 per session

Fun and structured ballet classes led by a specialist teacher. Through ballet children gain a sense of discipline through learning new positions and steps. They learn co-ordination, balance and how to control their bodies in motion, developing confidence and competence in physical activity.
IDTA ballet examination grades available.

WHEN	Thu (Y3–5) | Fri (Y5–6) **15.10–16.00**
WHERE	Broadway playground
AGE	Years 3–5
LED BY	London Pulse Basketball
COST	£9.00 per session

Fun and action-packed basketball club where we will work on handling, passing and shooting the ball. Each week we will be playing games based around a skill, and then put it into practice match play! Children improve knowledge and understanding of sport and physical activity.

WHEN	**Wednesday lunchtimes** (Y3–6)
WHERE	Broadway classroom
AGE	Years 3–6
LED BY	IPC Church Ealing
COST	Free drop-in club

A drop-in lunchtime club for pupils at the Broadway site. Come and hear exciting stories from the Bible. A teenager who was kidnapped, a young Queen who risked her life and an old man who was thrown into a lion's den!

WHEN	Daily **07.45–08.30**
WHERE	Grove Hall and Broadway Great Hall
AGE	Reception–Y6
LED BY	Breakfast club team
COST	£4.00 per session

Breakfast club provides a healthy breakfast and activities to assist parents who need to drop off their children early. There is a one-off registration fee of £4. Please pre-pay for required sessions via ParentPay.

Please contact **admin@cts-school.org** for more information

WHEN	Mon (Y2) **15.20–16.00** | Fri & Wed (Y3–6) **15.10–16.00**
WHERE	Grove classroom | Broadway Y3 tower
AGE	Years 2–6
LED BY	Premier Chess Coaching
COST	£9.00 per session

Chess allows children to develop:
- Strategic and tactical thinking, visualising and analysing skills
- Logic, concentration, competitiveness, commitment, patience
- Problem solving and decision making skills

Beginners will learn all the rules, how each piece moves and practise each week in specially designed mini-games. Children who are able to play with all the pieces will learn tactics, strategy, opening and endgame play, and compete in an organised tournament with games each week, and end-of-term trophies for the winners.

WHEN	Tue (Y6) | Thu (Y4 and Y5) **08.00** Thu (Y3) **During school day**
WHERE	Broadway, New Hall
AGE	Years 3–6
LED BY	Andrew MacMillan and Richard Hills
COST	n/a

Performing arts are an important part of a well-rounded education. In the case of choir practice, there are also emotional, physical and social benefits. This includes improved posture, toning of facial muscles, improved sleep and reduced stress. Singing in a choir is a wonderful way to learn teamwork and experience the joy of singing and performing in a group.

WHEN	Tue (Y5–6) **15.10–16.00**
WHERE	Year 6 classroom
AGE	Years 5–6
LED BY	Blue Shift Coding
COST	£12.00 per session

Introduction to Python & Micro:Bit Robotics
In this engaging course, your child will be introduced to Python, the world's most widely used programming language - the same one used by Google, NASA, and countless top tech companies. But we're not just teaching code, we're unlocking creativity. Students will design their own games, build interactive graphics, and program the Micro:bit, a tiny physical computer that brings their code to life beyond the screen through lighting up, sensing movement, and responding to the world around it.

WHEN	Tue (Y3–4) **15.10–16.00**
WHEN	Year 4 classroom
AGE	Years 3–4
LED BY	Blue Shift Coding
COST	£12.00 per session

In this exciting club, students will take their next steps into text-based programming using beginner-friendly languages like JavaScript in the form of Bitsbox. Building on what they've learned in Scratch, they'll start typing real code to create their own games, apps, and interactive projects. It's the perfect next step for young coders ready to level up their skills and gain confidence in a more advanced coding environment – all while having fun and building something they're proud of.

WHEN	Mon (Y4–6) **15.10–16.00**
WHERE	Broadway classroom
AGE	Years 4–6
LED BY	Blue Shift Coding
COST	£12.00 per session

MakeCode Arcade & Micro:Bit Robotics
We created this club after girls asked for coding sessions just for them. They learn to code by creating retro-style arcade games with Microsoft's MakeCode Arcade platform, picking up key coding and game design concepts as they build their own personal projects. Students can code using Code Blocks, Python, or JavaScript, depending on their age and level. They'll get hands-on with Micro:bit, programming a physical device to light up, sense movement, and respond to its environment. It's the perfect next step for young coders looking to build confidence, creativity, and real coding skills.

WHEN	Fri (Y3–6) **15.10–16.00**
WHERE	Art room
AGE	Years 3–6
LED BY	kiddycook.co.uk
COST	£13.50 per session (all ingredients included)

Each week, children will make a dish from scratch to take home along with a recipe card so that they can recreate their masterpieces time and time again! Aprons, all ingredients and all equipment is provided. Children who attend have access to Kiddycook online cooking club to include monthly cook-a-long videos, skills videos and hints and tips to help them learn to cook in a fun, easy and interactive way.

nb No session on 2 October

WHEN	Fri (Y3–6) **07.45–08.30** Fri (Y1–2) **15.20–16.00**
WHERE	Broadway and Grove playgrounds
AGE	Years 1–6
LED BY	Conquest Academy and Ethan Tyrer
COST	£7.50 per session

NEW at the Grove

Cricket is a great active sport for children to engage with. Whether they are fielding, bowling or batting, children will do a lot of running. Bowling and batting will help to build upper body strength. Cricket also helps to develop leadership, teamwork, character, concentration and life skills.

WHEN	Wed (Y3–6) **15.10–16.00** Tue (Y1–2) **15.20–16.00**
WHERE	Music Room, Broadway; Grove Main Hall
AGE	Years 1–6
LED BY	DG Dance - www.dancegallery.co.uk
COST	£12.50 per session

Run by local dance school DG Dance (Dance Gallery), this after school club is a fantastic mix of dance trends. Fun and vibrant, our classes are perfect to help build children's confidence and turn them into stand out performers! Classes also help students stay fit and healthy both in body and mind. Dance builds social skills and connections.

WHEN	Tue (Y3–5) **15.10–16.00**
WHERE	Playground
AGE	Years 3–6
LED BY	Mr Durrell
COST	£6.50 per session

One of the most popular lunchtime sports at CtS, Dodgeball is a team game in which players must dodge or catch balls thrown by the opposition whilst attempting to strike their opponents in the same way. The game has rapidly grown in popularity over the past decade, and will help children develop their agility, balance, hand eye coordination and strength. Dodgeball improves pupils' knowledge and understanding of sport activity.

WHEN	Tuesday (Y4–6) **07.45–08.30**
WHERE	New Hall, Broadway
AGE	Years 4–6
LED BY	Mike Jacob
COST	£11.50 per session

Fencing uses the mind as well as the body almost like a physical form of chess. It teaches children to think for themselves and to analyse the way other people think. Your child will learn how to outthink their opponents quickly in order to succeed in their matches.

WHEN	Wed (Y5–6) | Fri (Y3–4) **15.10–16.00** Wed (Y1–2) **15.20–16.00**
WHERE	Back playground, Broadway Grove playground
AGE	Years 1–6
LED BY	Conquest Academy / Brentford FC / KB Soccer School
COST	£7.00 per session

Participating in football, like any sport, provides many health benefits for children. It is a physically demanding game that provides an opportunity for players to improve their speed, agility, strength, hand-eye coordination and overall cardiovascular endurance. Football improves health and wellbeing.

WHEN	Mon (Y3–4) | Thu (Y5–6) **15.10–16.00**
WHERE	Back playground, Broadway
AGE	Years 3–6
LED BY	Brentford FC / KB Soccer School
COST	£7.00 per session

Building on the success of the Lionesses, and led by a coach from Brentford FC or KB Soccer School, this club will support girls in developing their footballing skills. Football is a physically demanding game that provides an opportunity for players to improve their speed, agility, strength, hand-eye coordination and overall cardiovascular endurance. Football improves health and wellbeing. Suitable for beginners and more experienced players.

WHEN	Tue (Y3–4) **15.10–16.00**
WHERE	Broadway classroom
AGE	Years 3–4
LED BY	Madame Nora Amarouche
COST	£9.00 per session

French club is open to students of all abilities and is led by our school specialist French teacher. Learning a second language early in life enhances overall cognitive skills and improves brain development. Studies have shown repeatedly that foreign language learning increases critical thinking skills, creativity, problem-solving skills and flexibility of mind in young children. Children will learn through games, songs and fun activities.

WHEN	**Thursday lunchtime**
WHERE	Garden areas on both sites
AGE	Years 1–5
LED BY	Rachel Warren, Hammersmith Community Gardens Association
COST	no charge

NEW

Gardening club gets the children involved in planting, developing and maintaining the school gardens. Digging, weeding, watering are excellent physical activities. Growing and harvesting their own fruit and vegetables encourages children to try new foods. Spending time in natural spaces boosts "feel-good" hormones, which reduce stress and anxiety while increasing self-esteem. Watching a plant grow from a seed also teaches valuable lessons in patience and resilience. Our garden acts as an outdoor classroom. Children learn about biology, weather patterns, and the environment. It also sparks curiosity about sustainability and where food comes from.

WHEN	Thu (Y5) **15.10–16.00**
WHERE	Year 5 classroom
AGE	Year 5 (by invitation)
LED BY	Julia Finucane, German teacher at Ada Lovelace
COST	no charge

NEW

This club is based on the Wuschel German Club, an educational program by the Goethe-Institut. It is designed to introduce Y5 children to the German language using engaging, interactive materials. The club centres around the illustrated adventures of "*Wuschel auf der Erde*" illustrated by Axel Scheffler. Learners are introduced to their first words of German through the adventures of the alien Wuschel and his friends. All children attending will receive a free copy of the book.

WHEN	Tue (Y1–2) | Wed (Y1–2) **15.20–16.00**
WHERE	Grove Hall
AGE	Years 1–2
LED BY	Sing Education
COST	£6.00 per session

Music education has been shown to positively impact not just academic performance, but also social, emotional and physical wellbeing. Our Gospel Choir club will be full of high-energy, active music making, games and self expression.

WHEN	Mon (Y3–4) | Wed (Y5–6) | Fri (Y1–2) **07.45–08.30**
WHERE	Broadway, New Hall; *Y1–2 children walked to Grove*
AGE	Years 1–6
LED BY	Aibhlin McAvera from Move A Muscle
COST	£11.00 per session

The physical benefits of gymnastics include increased strength, agility, flexibility, endurance, and artistry. Gymnasts learn to trust their bodies, whether upside-down or right-side-up and be able to take risks and see what their bodies are capable of. Gymnastics improves understanding of sport, championing physical literacy. ***Drop Y1–2 children at Broadway main gate. They will be walked to the Grove after session.***

WHEN	Wednesday (Y5–6) **15.10–16.00**
WHERE	Broadway back playground
AGE	Years 5–6
LED BY	West London Hockey Club
COST	£7.50 per session

nb Children attending hockey club must provide their own mouthguard and shinpads or cannot take part.
Playing hockey benefits children by improving their physical health through increased endurance, strength, coordination, and balance, while also fostering mental and emotional development by teaching teamwork, discipline, leadership, and how to handle success and failure. The sport promotes an active lifestyle, sharpens concentration, builds social skills, and boosts self-confidence and wellbeing. Hockey develops leadership, character and life skills.

WHEN	Mon (Y3–5) | Thu (Y3–6) **15.10–16.00** Mon (Y1–2); Thu (Y1–2) **15.20–16.00**
WHERE	Broadway and Grove classrooms
AGE	Years 1–5
LED BY	CtS staff
COST	£6.50 per session

Children will build Lego models around a theme. Designing, testing and building using Lego develops children's knowledge and skills in areas such as science, technology and engineering through play. Building with Lego bricks encourages the development of many skills including creativity, problem solving, 3D thinking, critical and lateral thinking, and understanding of concepts such as size, shape, order and pattern.

WHEN	Thursday (Y1) **15.20–16.00**
WHERE	Grove classroom
AGE	Year 1
LED BY	Laura Cross www.inventorsandmakers.com
COST	£10.50 per session

Every week we'll take part in fun hands-on engineering challenges, building, testing and improving our creations in teams. We'll be making towers, bridges, boats, planes and more across the term. Children will also develop their problem solving, creativity and collaboration skills too. Not only has research shown that taking part in engineering in school can boost achievement in all subjects, but it can also help children's resilience as they understand that they can learn from their mistakes.

NEW

WHEN	Mon (Y1–2) **15.20–16.00**
WHERE	Grove playground
AGE	Years 1–2
LED BY	Ethan Tyrer
COST	£7.00 per session

Our new Multisports Club will build fundamental movement skills in a fun environment. Children will develop a complete baseline of agility, balance, body awareness and coordination by jumping, throwing, and kicking across various sports. Your child will gain confidence and flexibility as they improve their gross motor skills by eg kicking a ball and scoring baskets.

WHEN	Tuesday (Y4–6) **15.10–16.00**
WHERE	Broadway playground
AGE	Years 3–6
LED BY	London Pulse
COST	£7.00 per session

Netball requires players to run around the court, sprint, and change direction quickly. As each player is assigned a role, passing the ball is extremely important. Your child will develop good hand-eye coordination, depth perception, and reaction time. Netball builds social skills and connections, improving knowledge and understanding of sport and physical activity.

WHEN	Tue (Y3–5) **15.10–16.00**
WHERE	Broadway playground
AGE	Years 3–5
LED BY	mylittleboarders.co.uk
COST	£13.00 per session

Mylittleboarders specialises in teaching beginners to feel confident on a skateboard and have created a bespoke programme. Specially trained instructors tailor sessions to the ability of the skater, so that beginners are grouped together to learn the basics, while more skilled skaters can learn the advanced part of the programme. Skateboarding improves knowledge and understanding of sport activity, building social skills and connections. All equipment is provided.

SCIENCE

WHEN	Thu (Y4–6) **15.10–16.00**
WHERE	Broadway classroom
AGE	Years 4–6
LED BY	Mother Nature Science
COST	£10.50 per session

Children explore a wide variety of entertaining topics. They'll watch spectacular demonstrations and participate in experiments and discussions across Chemistry, Biology and Physics, and bring home science-related items they have made themselves. Parents also receive topic updates so they can continue to explore the science at home together. Sessions include safe landing, skeleton jigsaw, powerful water, sunscreen science, and loopy lenses.

SSUK

WHEN	Daily **15.00–18.00**
WHERE	Broadway and Grove sites
AGE	Years 1–6
LED BY	Romon Forrester and SSUK staff
COST	Please contact SSUK direct for details

SSUK provides high quality after school childcare across both sites. The clubs comprise of a wide range of activities including an extensive arts and crafts program and a range of sports activities together with supervised free play and chill out time. SSUK runs additional after school activities at the Grove. Ad-hoc sessions can be booked in advance or on the day, subject to availability.
For more information and bookings, go to the SSUK website: **www.ssukkids.com**

TABLE TENNIS

NEW

WHEN	Mon (Y5–6) **15:10–16:00**
WHERE	Broadway New Hall
AGE	Years 5–6
LED BY	Gillian Lesh
COST	£7.00 per session

Table tennis is a fantastic sport that offers major physical, mental, and social advantages. Fast ball exchanges train kids to track motion and react quickly, improving hand eye co ordination, which helps with writing and other daily tasks. Agility and reflexes are improved as short distances and rapid movement improve both fine and gross muscle reactions. Reaching, lunging, and moving engage the core, legs, and arms. Tracking the spin, speed, and placement of the ball builds strong concentration and split-second decision-making and improving focus. Rallies work different areas of the brain at once, improving overall cognitive function and mental sharpness.

TENNIS

WHEN	Mon (Y3–4) | Tue (Y5–6) | Wed (Y3–6) **15:10–16:00** Thu (Y1–2) **15:20–16:00**
WHERE	Broadway playground, Grove playground
AGE	Years 1–6
LED BY	Sportshive at Old Actonians – Dominic Rice
COST	£8.00 per session

Tennis provides countless physical benefits for children.
It develops their hand-eye coordination, gross motor control (through court movement and ball striking), fine motor control (through finessed drop shots and angled volleys), balance and body coordination, all the while building acceleration, speed, leg strength, agility and flexibility. Tennis builds social skills and connections, improving health and wellbeing.

We also offer one-to-one and small group music lessons during the school day with Sing Education. There is limited availability.

Please contact Sing Education direct to arrange lessons or join the waiting list.

ROCK STEADY

ROCKSTEADY MUSIC SCHOOL

Fun and inclusive rock and pop band lessons for Key Stage 2.

Rocksteady, which already partners with thousands of primary schools across the country to deliver inclusive band lessons designed to amplify children's self-belief, support wellbeing and help maximise their potential back in the classroom now offers lessons for Key Stage 2. Your child can learn to play an instrument in their very own band with no experience necessary! Guided by inspirational musicians, children learn songs they love in a fun and supportive in-school group setting. All equipment is provided.
