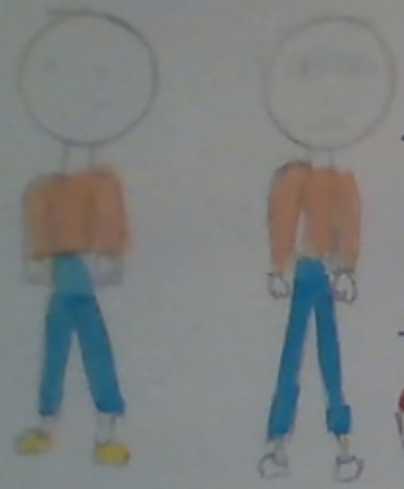
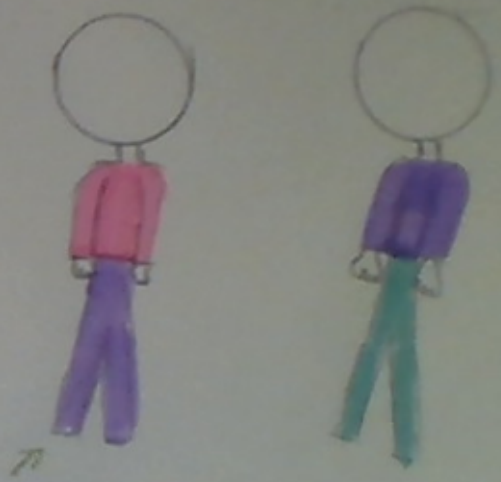
Be Yourself

everyone else is already taken.



← This is not a great example of being yourself because they are both copying eachother on what to wear. Being yourself is being bold, unique and natural, so don't fit in with the crowd when you were born to stand out!!!



This is an amazing example of how to be yourself because you can see that these two people are wearing what they like and what they want to, they are also unique. By the way, wearing clothes which are different is not the only thing which can help you be yourself, there are others like handwriting and favourite hobbies.

BE UNIQUE
