Big Write theme: Develop the emotion of fear through a narrative story full of mystery and suspense using or adapting the passage below.

She bit her lip and tightened her fingers around the cold knob. A shiver shook her. She inhaled only a shallow breath and then struggled for another. "Debbie, you can do this, you're not afraid are you?" she whispered to herself, sweat started to bead on her forehead. Through the window Debbie could see George biking home; it was NOW or NEVER...
