

February Half Term Optional Activities

Here are four fun and exciting home learning projects for you to choose from, which will make your half term holiday in lockdown productive and exciting! We look forward to seeing your wonderful projects next half term.

Write to a senior citizen

Write a letter and/or design some artwork for an older resident of *Spiers House Care Home*. Their families can't visit them at the moment and many older people are feeling sad and lonely. A letter or picture from you could cheer them up! Send your letters yourselves or bring them into school on the first day back and we will post them altogether.

FAO: Christina Mantzorgeorgou, Spiers House Nursing Home

1 The Chesters, Traps Lane, New Malden, KT3 4SF

Be sure to mention our school name.

Wash your Hands Poster Competition

Help us make sure CtS continues to 'Be Safe' by creating a factual, eye-catching poster to motivate the students at CtS to keep the germs at bay. Posters can be hand-drawn and scanned in or made on the computer.

Entries should be submitted to partialclosure@cts-school.org and winners will be announced in the first celebration assembly back!

Make a Prayer Space

Create a prayer space in your home - a quiet space for you to talk to God. You could write your prayers and stick them up or plant a seed for every prayer. Add a candle to help you focus or include some pens and paper to write or draw your prayers.

Take some pictures of your prayer space and email them to partialclosure@cts-school.org, so we can celebrate this on our school website.

Make a Reading Den

This half-term, create your own reading den in your home to enjoy your books. Take some pictures of your reading den and email them to partialclosure@cts-school.org, so we can celebrate this on our school website.
