

World Book Day - Nursery

Thursday 4th March is World Book Day! This year, we have some special activities planned for your remote learning. You can work on this across the whole week, just remember to upload your learning to the assignment on Google Classroom before your Thursday Google Meet! Have fun!

Whole School

Read and Seek - We love reading and will read just about anywhere! Share your most unusual reading nook with your classmates and take a picture of yourself reading in the most obscure place in your house.

Remember you can read anything from the latest Kate Di Camillo novel to Nadiya Hussein's cookbook to the most recent edition of First News- the award winning weekly newspaper for children!

Make a Book Bonnet - Use of these ideas to create a book-themed headpiece of your favourite book to wear on World Book Day.

Nursery

Design and make Booky Bunting - Be creative and have a go at making your own bunting to hang around your classroom or bedroom. You could draw different characters; write your favourite quotes and even create an alternative book cover on each piece of your bunting.
