

World Book Day - Year Five

Thursday 4th March is World Book Day! This year, we have some special activities planned for your remote learning. You can work on this across the whole week, just remember to upload your learning to the assignment on Google Classroom before your Thursday Google Meet! Have fun!

Whole School

Read and Seek - We love reading and will read just about anywhere! Share your most unusual reading nook with your classmates and take a picture of yourself reading in the most obscure place in your house. Remember you can read anything from the latest Kate Di Camillo novel to Nadiya Hussein's cookbook to the most recent edition of First News- the award winning weekly newspaper for children!

Make a Book Bonnet - Use of these ideas to create a book-themed headpiece of your favourite book to showcase on your World Book Day Google Meet.

Year Five - Choose one of the following activities.

Share a story - Do you one day hope to be on the West End stage? Have a go at sharing your acting and storytelling skills with our youngest learners and record yourself reading a short story for them to watch!

Design and make Booky Bunting - Be creative and have a go at making your own bunting to hang around your classroom or bedroom. You could draw different characters; write your favourite quotes and even create an alternative book cover on each piece of your bunting.

World Book Day - Year Five
