

World Book Day - Year Two

Thursday 4th March is World Book Day! This year, we have some special activities planned for your remote learning. You can work on this across the whole week, just remember to upload your learning to the assignment on Google Classroom before your Thursday Google Meet! Have fun!

Whole School

Read and Seek - We love reading and will read just about anywhere! Share your most unusual reading nook with your classmates and take a picture of yourself reading in the most obscure place in your house. Remember you can read anything from the latest Kate Di Camillo novel to Nadiya Hussein's cookbook to the most recent edition of First News- the award winning weekly newspaper for children!

Make a Book Bonnet - Use of these ideas to create a book-themed headpiece of your favourite book to showcase on your World Book Day Google Meet.

Year Two - Choose one of the following activities.

Read to your teddy or your pet- We know your teddies and pets love a good story too! Don't forget to send us your photos of sharing your favourite story with your favourite pal!

Create a story sack for your class core text
Use the following ideas to be creative making your own story sack for your class core text. You could draw different characters; create puppets and even collect various objects to put in your sack!

World Book Day - Year Two
