

This year our **school** is celebrating
a very special **anniversary**.

Does anyone know
how old our
school is?

1861-2021

160 Years Old!

Queen Victoria was on the throne when our school began.

160 years ago...

1861 - A school for infants was begun on the Grove site. This school was later named St.Saviours.

Then 150 years ago...

1871 - The foundation stone for a boys' junior school was laid behind the church at the Broadway site. The boys school opened in Jan 1872 and then in 1885 a girls' junior school was built next to the church. These schools later combined to make Christ Church Junior School.

Then 10 years ago...

2011 - St. Saviour's Infants and Christ Church Juniors merged together to become one new school.

Christ the Saviour Primary school!!

So in 2021 we are celebrating **THREE** anniversaries....

160 years since the school began on the **Grove Site**

150 years since the school began on the **Broadway Site**

10 years since we became **CtS!**

WOW!!!

60 years ago,
when the school
was 100 years old
there was a big
celebration with a
cake and a party
in the playground!

We will have a big party to
celebrate our 160th
anniversary on Friday July 9th.

To help us get ready for the
party we would like everyone in
the school to get creative over
half term and to do a special
160th celebration homework.

Choose one of the following fun tasks:

- Make an **invitation** to our 160th school birthday party
- Design or make a **party hat** to celebrate our 160th
- Design a **cake** to celebrate our 160th
- Make a **birthday card** for the school
- Write a **poem** or **song** celebrating the history of the school
- Do a piece of **artwork** inspired by our school motto '**Pro deo et Ecclesia.**'
- Write a **letter** to one of our Victorian founders, Miss Rosa Lewis or Rev. Joseph Hilliard, telling them what our school is like today.

Give your **160th Celebration Homework** in to your class teacher in the first week back after half term.

We will use them to make lovely displays around the school to help us celebrate our 160th!
