Dear Parents,

*Give thanks to him and praise his name!  
For the Lord is good and his love endures forever,  
his faithfulness continues through all generations.  
Psalm 100*

As we approach the last few weeks of the school year we are using this psalm to remind us of the importance of giving thanks. We have all been reminded this week to take a moment to be thankful, recognise the good things in our lives, and count our blessings. Doing this can help us all to remain grounded and connect us to God and strengthen our faith.

As we publish our staffing list for the next academic year I would like to give thanks to our tremendous staff team who have worked tirelessly this year and managed extraordinary circumstances with professionalism and grace. It is an absolute credit to all our staff that pupils are settled and have continued making excellent progress in their learning. Pupils have built up particularly strong and trusting relationships with their teachers who have helped guide them through the challenging year at school. We have a carefully planned transition timetable for all classes leading up to the end of term to help support all pupils' closure of this academic year and prepare them for their transition to the next year group or key stage.

I am delighted to report that we maintain a stable staff team for September with a small number of staff moving on at the end of this year. Miss Tran is moving back home to Australia, Miss Saito is moving to a British school in Japan and Mr Jeans is moving to a school closer to his home. We are extremely grateful for their contributions and commitment to the school and as valued members of our school community we know they will keep in touch. We are pleased to be welcoming Mrs McDonald back from her maternity and two new teachers to our school team - Miss Francis and Miss McKendrick. Both are experienced teachers and know the school well - we welcome them!
