Dear Parents,

We have had a really great first week back with pupils in all year groups settling in quickly to their new routines and we are excitedly waiting to welcome our Nursery and Reception pupils next week. A few important updates for you to be aware of at the end of the week.

Attendance at school

We are delighted with our high attendance at school this week - 98% across the school. A reminder that children with covid symptoms should remain at home and take a PCR test (this is not the same as a lateral flow test. Parents can book a PCR test online or through calling 119). The most common covid symptoms are:

- a high temperature,
- a new continuous cough
- a loss or change to sense of smell or taste

Siblings without covid symptoms are now allowed to remain at school. NHS test and trace will advise all family members to take a PCR test if a member of the family tests positive. The school is no longer responsible for contact tracing and we ask parents to call 119 if they require support to identify contacts for their child.

Parent Information Evenings

We are looking forward to welcoming parents to school for our Parent Information Evenings over the next few weeks. Please note that these information sessions will focus heavily on the curriculum for the year group so we strongly advise parents to attend each evening if they have multiple children at the school. The sessions will be adult only and our after school club provider SSUK has kindly extended their after school childcare until 6.30pm for parents attending the Information Evening. Bookings for this childcare should be made directly with SSUK. A link to their website can be found here:

School Clubs

We are really looking forward to starting our extensive range of after school clubs and our brochure will be emailed out to parents early next week with bookings as usual via ParentPay at the end of the week. Clubs will start in the week beginning 20th September.

If your child is at the Broadway Site our thriving school choirs will begin to practice **next week**, please complete the google document sent to register your child. Our choirs have always had a strong contribution to our school worship and parents are warmly invited to attend Mass for their child's year

group at the Grove and in Christ the Saviour Church. Mass dates can be found on our school website.

Uniform

A reminder that blazers are a compulsory uniform item at the Broadway Site and all Broadway pupils should wear their blazer to school each day.

Very best wishes,
