By signing up for a club you are agreeing to pay for the club for the whole term irrespective of whether your child attends all sessions. Some clubs are more popular than others and all have a maximum number of children that can participate, therefore we operate a waiting list for oversubscribed clubs so please email: [admin@cts-school.org](mailto:admin@cts-school.org) if you wish your child to be added to a club's waiting list.

#### Behaviour

At Christ the Saviour school we have high expectations for behaviour during the school day and these expectations are the same for children attending extra-curricular clubs. If a child's behaviour impacts other children attending the club, parents will be informed. Club leaders have the right to discontinue a child's attendance if a child's behaviour does not improve. No refund will be paid in these circumstances if we are unable to give this space to a child on the waiting list.

#### Refunds

Refunds will only be made if the club is unable to run. Refunds are not provided if the club moves indoors in bad weather or if your child does not wish to continue.

#### Pick-up

Collection is from the main gate at the Broadway site and the front office at the Grove.

#### Disclosure of information

To ensure that club leaders are able fully and safely to meet the needs of the children in their care, we ask your consent for us to provide relevant information about your child to the club leader. Please let us know if you do not consent to this.
