CLUBS

SUMMER
2022

Welcome to our programme of morning, lunchtime and after-school clubs, where children can develop an existing skill or discover a new passion.

There's something for everyone: sport, performing arts, creativity, music, activities such as chess and coding, or simply childcare.

Places are limited, so to avoid disappointment, please pay promptly on ParentPay when bookings go live.

ENQUIRIES admin@cts-school.org 020 8249 6800 CLUBS RUN FOR 11 WEEKS: 19 APRIL - 4 JULY					

Club payments

Parents can ask the school office for access to a computer if needed. Payments for breakfast club and after school clubs must be made in advance.

External providers

Where noted, book activities direct with the provider.

Dress code

Pupils wear school uniform or school PE kit for all clubs held at school. PE kit may be worn all day if a child attends a sports club.

ART

WHEN	Mon (Y4–6) Wed (Y5–6) Thu (Y3–5) 15.00–16.00
WHERE	Broadway art room
AGE	Years 3–6
LED BY	Alison McCulloch
COST	£8.50 per session

At art club children will explore a range of techniques and mediums. Art supports children in developing their communication and problem solving skills. Children will improve their fine motor skills and boost their self expression and creativity.

BALLET

WHEN	Thu (R–Y3) 07.45–08.30
WHERE	Science Room, Broadway (Grove children are walked back to the Grove)
AGE	Years R–Y3
LED BY	lauren@roseballet.co.uk
COST	£11.50 per session

Fun and structured ballet classes led by a specialist teacher. Through ballet children gain a sense of discipline through learning new positions and steps. They learn co-ordination, balance and how to control their bodies in motion. IDTA ballet examination grades available.

BASKETBALL

WHEN	Fri (Y5–6) 15.00–16.00
WHERE	Broadway playground
AGE	Years 5–6
LED BY	London Pulse Basketball
COST	£8.00 per session

Fun and action-packed basketball club where we will work on handling, passing and shooting the ball. Each week we will be playing games based around a skill, and then put it into practice match play!

BIBLE CLUB

WHEN	Wednesday lunchtimes (Y3–6)
WHERE	Intervention Room Broadway
AGE	Y3–6
LED BY	IPC Church Ealing
COST	Free drop-in club

A drop-in lunchtime club for pupils in Years 5 and 6. Come and hear exciting stories from the Bible. A teenager who was kidnapped, a young Queen who risked her life and an old man who was thrown into a lion's den!

BREAKFAST CLUB

WHEN	Daily 07.45–08.30
WHERE	Grove Hall and Broadway Great Hall
AGE	Reception–Y6
LED BY	Breakfast club team
COST	£3.00 per session

Breakfast club provides a healthy breakfast and activities to assist parents who need to drop off their children early. One-off registration fee of £4. Please pre-pay for required sessions via ParentPay.

CHESS

WHEN	Mon (Y2) 15.15–16.00 Fri (Y3–6) 15.00–16.00
WHERE	Grove classroom Broadway Y3 tower
AGE	Years 2–6
LED BY	Premier Chess Coaching
COST	£8.00 per session

Chess allows children to develop:

- Strategic and tactical thinking, visualising and analysing skills
- Logic, concentration, competitiveness, commitment, patience
- Problem solving and decision making skills

Beginners will learn all the rules, how each piece moves and practise each week in specially designed mini-games. Children who are able to play with all the pieces will learn tactics, strategy, opening and endgame play, and compete in an organised tournament with games each week, and end-of-term trophies for the winners.

CtS CHOIR

WHEN	Tue (Y6) Thu (Y4 and Y5) 08.00 Thu (Y3) During school day
WHERE	Broadway, New Hall
AGE	Years 3–6
LED BY	Andrew MacMillan and Richard Hills
COST	n/a

Performing arts are an important part of a well-rounded education. In the case of choir practice, there are also emotional, physical and social benefits. This includes improved posture, toning of facial muscles, improved sleep and reduced stress. Singing in a choir is a wonderful way to learn teamwork and experience the joy of singing and performing in a group.

CODING

WHEN	Thu (Y3–4) 15.00–16.00
WHERE	4MT classroom
AGE	Years 3–4
LED BY	Blue Shift
COST	£10.00 per session

It is important for children to understand and be able to work with the technology around them. Learning coding at a young age prepares them for the future and helps with communication, creativity, maths, writing and confidence. Pupils go on an exciting journey through space, where they develop their coding skills by helping Zorg the alien return to his home planet! Students unleash their creativity by completing extraterrestrial life-themed projects - using code to repair a UFO, creating crop circles to communicate with alien friends, dodging asteroids, and more.

COOKERY

WHEN	Fri (Y3–4) 15.00–16.00
WHERE	Art room
AGE	Years 3–4
LED BY	kiddycook.co.uk
COST	£12.50 per session (all ingredients included)

Each week, children will make a dish from scratch to take home along with a recipe card so that can recreate their masterpieces time and time again! Aprons, all ingredients and all equipment needed is provided. Children who attend have access to Kiddycook online cooking club to include monthly cook-a-long videos, skills videos and hints and tips to help them learn to cook in a fun, easy and interactive way.

CRICKET

WHEN	Mon Y3–4 15.00–16.00 Fri Y5–6 07.45–08.30
WHERE	Broadway playground
AGE	Years 3–6
LED BY	Trailfinders
COST	£7.00 per session

Cricket is a great active sport for children to engage with. Whether they are fielding, bowler, or batsman, children will do a lot of running. Bowling and batting will help to build upper body strength. Cricket also helps to develop teamwork, concentration and resilience.

ENGINEER ACADEMY

WHEN	Wed Y5–6 15.00–16.00
WHERE	Science Room, Broadway
AGE	Years 5–6
LED BY	Laura Cross www.inventorsandmakers.com
COST	£9.00 per session

Every week we'll learn a new concept from engineering as we take part in fun hands-on engineering challenges. We'll be building and testing machines, bridges, and more and children will develop their problem solving, creativity and collaboration skills too. Engineering is one of the biggest growth sectors of the future and research has also shown that children who take part in engineering in school improve their progress across the curriculum.

Please note: this course content is the same as the 2021 Autumn Term course

FENCING

WHEN	Tuesday 07.45–08.30
WHERE	New Hall
AGE	Years 5–6
LED BY	Paul Lowen
COST	£9.50 per session

Fencing uses the brain as well as the body. It is a very strategic sport, almost like a physical form of chess. It teaches children to think for themselves and to analyse the way other people think. Your child will learn how to outthink their opponents quickly in order to succeed in their matches.

FOOTBALL

WHEN	Wed (Y3–4) Thu (Y5–6) 15.00–16.00
WHERE	Back playground, Broadway
AGE	Years 3–6
LED BY	Bilal Butt
COST	£5.00 per session

Participating in football, like any sport, provides many health benefits for children. It is a physically demanding game that provides an opportunity for players to improve their speed, agility, strength, hand-eye coordination and overall cardiovascular endurance.

GARDENING

WHEN	Tue (Y1–2) Fri (Y3–6) 12.00–13.00
WHERE	Grove and Broadway playgrounds
AGE	Years 1–6 pupils lunchtime drop-in club
LED BY	Megan Felton from Muddy Hands
COST	n/a

Gardening is a healthy, fun activity for children. Children develop new skills and learn about science and nature from growing their own food. There is a variety of interesting activities children can be involved in, such as planting, mulching and weeding.

GOSPEL CHOIR

WHEN	Tue (Y1–2) 15.15–16.00 Wed (Y3–6) 15.00–16.00
WHERE	Grove Hall Broadway Music Room
AGE	Years 2–6
LED BY	Sing Education
COST	£6.00 per session

Music education has been shown to positively impact not just academic performance, but also social, emotional and physical wellbeing. Our Gospel Choir club will be full of high-energy, active music making, games and self expression.

GYMNASТИCS

WHEN	Mon (Y3–4) Wed (Y5–6) 07.45–08.30
WHERE	Broadway, New Hall
AGE	Years 3–6
LED BY	Aibhlin McAvera from Move A Muscle
COST	£7.50 per session

The physical benefits of doing gymnastics include increased strength, agility, flexibility, endurance, and artistry. Gymnasts must learn to trust their bodies in space, whether upside-down or right-side-up and be able to take risks and see what their bodies are capable of.

LEGO

WHEN	Mon 15.00–16.00
WHERE	Interventions Room, Broadway
AGE	Years 3–4
LED BY	CtS staff
COST	£5.00 per session

Children will build Lego models around a theme. Designing, testing and building using Lego develops children's knowledge and skills in areas such as science, technology and engineering through play. Building with Lego bricks encourages the development of many skills including creativity, problem solving, 3D thinking, critical and lateral thinking, and understanding of concepts such as size, shape, order and pattern.

LITTLE ENGINEERS

WHEN	Tue (Y1) 15.15–16.00
WHERE	Grove classroom
AGE	Year 1
LED BY	Laura Cross www.inventorsandmakers.com
COST	£9.00 per session

Every week we'll take part in fun hands-on engineering challenges, building, testing and improving our creations in teams. Children will develop their problem solving, creativity and collaboration skills too. Not only has research shown that taking part in engineering in school can boost achievement in all subjects, but it can also help children's resilience as they understand that they can learn from their mistakes.

Please note: this course content is the same as the 2022 Spring Term course

MULTISKILLS

WHEN	Thu (Y2) 15.15–16.00
WHERE	Grove Playground
AGE	Years 2–4
LED BY	Trailfinders
COST	£7.00 per session

Multiskills is activities based on skill development. This can include activities and games based on running, jumping, striking, catching, leaping, kicking, power, strength, agility, balance and hand/eye coordination. There are three main areas to be developed through fundamental multiskills activities and they are: Agility, Balance and Coordination.

NETBALL

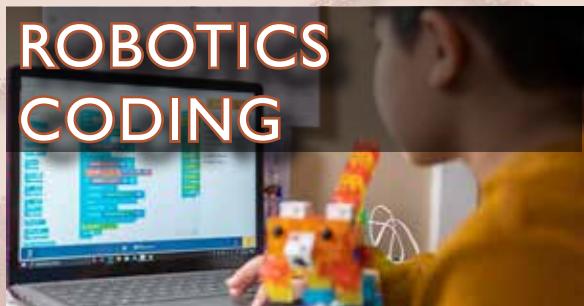

WHEN	Tue (Y5–6) 15.00–16.00
WHERE	Broadway back playground
AGE	Years 5–6
LED BY	Bilal Butt
COST	£5.00 per session

Netball requires players to run around the court, sprint, and change direction quickly. As each player is assigned a role, passing the ball is extremely important. Your child will develop good hand-eye coordination, depth perception, and reaction time.

ROBOTICS CODING

WHEN	Tue (Y5–6) 15.00–16.00
WHERE	5MG
AGE	Years 5–6
LED BY	Code Whizz
COST	£11.00 per session

Students will discover computer science and robotic concepts by programming their own virtual robot through a series of gamified missions. Cyber Robotics is perfect for beginners in Computer Science and robotics. In addition to discovering the nuts and bolts of coding and controlling robots, students will practise STEM, computational thinking, problem solving, and soft skills. Students will learn to: write algorithms and code; understand algorithm and code; practice control flow: loops; explore navigation: screw and smooth turns; discover detection: touch, distance, colour, gyro; practise object manipulation: robot's arm.

SKATEBOARDING

WHEN	Tue (Y3–5) 15.00–16.00
WHERE	Broadway playground
AGE	Years 3–5
LED BY	mylittleboarders.co.uk
COST	£10.00 per session

Mylittleboarders specialises in teaching beginners to feel confident on a skateboard and have created a bespoke programme. Specially trained instructors tailor sessions to the ability of the skater, so that beginners are grouped together to learn the basics, while more skilled skaters can learn the advanced part of the programme. All equipment is provided.

SSUK

WHEN	Daily 15.00–18.00
WHERE	Broadway and Grove sites
AGE	Reception–Y6
LED BY	Romon Forrester and SSUK staff
COST	£13.50 per session (regular) £17.50 (ad hoc)

SSUK provides high quality after school childcare across both sites. The clubs comprise of a wide range of activities including an extensive arts and crafts program and a range of sports activities together with supervised free play and chill out time. SSUK runs additional after school activities at the Grove. Ad-hoc sessions can be booked in advance or on the day, subject to availability. For more information and bookings, go to the SSUK website: www.ssukkids.com

TENNIS

WHEN	Mon, Wed (Y5–6) Tue, Thu (Y3–4) 15:00–16:00
WHERE	Broadway back playground
AGE	Years 3–6
LED BY	Sportshive at Old Actonians – Dominic Rice
COST	£7.00 per session

Tennis provides countless physical benefits for children. It develops their hand-eye coordination, gross motor control (through court movement and ball striking), fine motor control (through finessed drop shots and angled volleys), balance and body coordination, all the while building acceleration, speed, leg strength, agility and flexibility.

We also offer one to one and small group music lessons during the school day with Sing Education. There is limited availability.

Please contact Sing Education directly to arrange lessons or join the waiting list.

GENERAL ENQUIRIES
instrumental@singeducation.co.uk

INSTRUMENTAL SIGN UP
www.singeducation.co.uk/signup

By signing up for a club you are agreeing to pay for the club for the whole term irrespective of whether your child attends all sessions. Some clubs are more popular than others and all have a maximum number of children that can participate, therefore we operate a waiting list for oversubscribed clubs so please email: admin@cts-school.org if you wish your child to be added to a club's waiting list.

Behaviour

At Christ the Saviour School we have high expectations for behaviour during the school day and these expectations are the same for children attending extra-curricular clubs. If a child's behaviour impacts other children attending the club, parents will be informed. Club leaders have the right to discontinue a child's attendance if a child's behaviour does not improve. No refund will be paid in these circumstances if we are unable to give this space to a child on the waiting list.

Refunds

Refunds will only be made if the club is unable to run. Refunds are not provided if the club moves indoors in bad weather or if your child does not wish to continue.

Pick-up

All clubs finish at 4pm on both sites. Regular late collection from clubs will incur late charges. If parents arrive at school after 4.10pm for collection a charge of £5 will be added to their ParentPay account. Parents arriving after 4.30pm for collection will incur a further charge of £10, which will be added to their ParentPay account. Collections later than this will incur additional charges.

Children can be escorted to SSUK after clubs if a booking with SSUK has been arranged in advance and they are on the SSUK daily attendance register.

Disclosure of information

To ensure that club leaders are able fully and safely to meet the needs of the children in their care, we ask your consent for us to provide relevant information about your child to the club leader. Please let us know if you do not consent to this.
