Massive Macmillan Turn out

Children checking out the competition entries!

On Friday, 30th of September, our school had a coffee morning, art competition and a bake sale for Macmillan Cancer support. Fortunately, all our events ended up being very successful. Every year we always support this organization and raise money to help all who suffer with cancer. Last year, we raised £3,000. Did you know, this year we raised a total of more than £2,000 but we still have donations coming through!

In the afternoon, our new year 6 house captains were handing out cakes, cupcakes and lots more YUMMY!! pastries, while parents helped out with coffee. We are very thankful for all the donations.

Macmillan has grown to become the largest cancer care and support charity in the UK. They provide practical, medical and financial support and push for better cancer care. Who funds Macmillan?

Death of our Queen

The death of Queen Elizabeth II was a sad and tragic event, for not only the people of Britain, but the entire world. Queen Elizabeth II had so many memorable times in her life. She was alive for so long that she was queen at the time of WW2. A quote from Queen Elizabeth II "I declare before you all that my whole life, whether it be long or short, shall be devoted to your service and the service of our great imperial family to which we all

belong". She was born on 21st of April, 1926, died on 8th September 2022, months after her platinum Jubilee.

It was a sad and memorable moment for the world, and her family. Her dad was King George VI and he died in 1952 which meant that she was queen. Her father died at the age of 56 and her mother died at the age of 101.

Donation income £97.2 million
This is income from corporate supporters and partners.

As most of you know, we also had an art competition. All of the art was based on our school verse, "Each of you should use whatever gifts you have received to serve others". All the art looked amazing. While Mrs. Tramoni was announcing the winners, there was a huge crowd with a great atmosphere in the room.

Let's meet your new house captains!

As you know, Year 6 had their House Captain elections and all of you voted. The new House Captains are very excited and are keen to help our school. The House Captains are: Blue house (Ruby and Sammy) Red house (Abigail and Dylan) Yellow house (Nathan and Amelia) Green house (Maddy and Nathan). Yes there are two Nathans! Nathan from Green house exclaimed, "This is one of the best days of my life!" And we're sure all the others feel the same way! We interviewed them with some simple questions:

1) Why do you like being a house captain?

Ruby said: "Because I can be a role model!"

Maddy said: "I love it because I get to help other people!"

Nathan (from yellow house) said: "I get to lead Yellow House!"

Dylan said: "I get to go to lots of fun meetings!"

As you can see all of the new house captains are very ecstatic that they have been made the leaders of their house. They're all very excited to make their houses a better place.

Tips To Make New Classmates Feel Included In Christ The Saviour.

1. Offer them to play with you or sit with you at lunch
2. Show them around
3. Help them if they're struggling
4. Comfort them if they feel lonely
5. And finally, maybe even ask them for a playdate

At CTS, we want every student to feel included and happy. You also may hear about some new ideas in another section of this newspaper. Here are some quotes from some new pupils: One new pupil said that he was enjoying his time at CTS and nodded when he was asked if he was making friends. Another new pupil said that CTS was the best school in the world! - Zach and Rufus 6MG

Here are some of the upcoming competitions ; football, hockey, netball, sitting volleyball, 10 pin bowling and many more. Anyways, it looks like everyone answered yes .Would you like to come to any of the upcoming sport competitions? I know I am super excited are you? Anyways, most people said yes because they liked a certain sport such as football. We questioned 3 people from year 3 to year 6 ; year 3 said yes because they mainly liked 10 pin bowling as they have limited sports to go to. Year 4 also said the same as they as they also have limited sport competitions to go to. Furthermore, year 5 and six said yes as they have way more sports to join therefore there was a lot of different opinions. Unsurprisingly, football was the sport that most people wanted to go to as it is the most popular sport in the world.
