

D.T. Challenge

February Half Term

Practise your DT skills of designing and making

Practise your **textile** skills this half term!

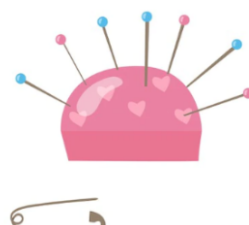

Upload pictures of your designs and what you have made at our D.T. Google Classroom, code: **g6u4jgs**

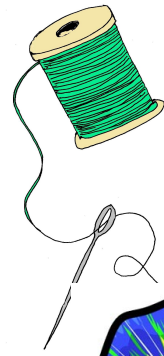

(Go onto Google Classroom, click on the + to Join New Class)

You could knit a scarf, tie dye a t-shirt, create a cross-stitch pattern, practise your crochet, make a fabric cushion cover... anything you like that links to textiles!

Please upload your entry no later than Tuesday 21st February to the Google Classroom.

We will be creating a special display of the entries and celebrate everyone who completes the challenge in our Friday worship.
