

KS2 Easter Activity

Design and Make an Easter Garden

Bring your garden to school on
Thursday 30th March

Hymns & Verses

You could use a plastic tray, old shoe box, cardboard box or flower pot to create your Easter Garden.

Use some soil, small plants, stones, twigs and other natural materials or recycled objects to create a garden with an Easter theme!

What has been used to make these gardens?
What has been included?
Why?

How do I make an Easter Garden?

1. Choose what symbols/objects you will use to represent the Easter story (e.g. the cross, the empty tomb, eggs and spring flowers to represent new life)
 2. Draw your garden design out on paper
 3. Make a list of the materials you will need - ask an adult for help with this!
 4. Follow your design and create your Easter Garden
 5. Bring your Garden to school on Thursday 30th March so that we can display them.
- Remember to label with your name and class!
