

# Holiday History Detectives!

Reception-Year 6

What History is around you?

A history detective is someone who wants to learn about the past from clues left behind. Ealing is full of many clues, eg statues, old buildings, post boxes, memorials, churches,

We would like you to keep your eyes peeled for examples of history clues around us.

Please upload your contributions to the History Google classroom by 21 April 23. **Code: r517tcf**

# Holiday History Detectives!

## Reception-Year 6

You could choose to take photos of history you find around you, draw some pictures or research a poster about the item you have found. We will be creating a special display of all the clues you find and the information you find out about them.

If you are not in Ealing for the holiday, you might want to share some history from where you do visit.
