

D.T. Challenge!

May Half Term

Practise your DT skills of designing and constructing

Practise your **construction** skills this half term!

Upload pictures of your designs and what you have

made at our D.T. Google Classroom,

code: **k5g5s4m**

(Go onto Google Classroom, click on the + to Join New Class)

Our theme is **King Charles's coronation!**

You could create a **throne**, **carriage** or even construct a **palace!**

It is your choice what materials you use: you could use cardboard, paper mache, clay or junk modelling...whatever you think will work best for your project!

Please upload a photograph of your entry no later than **Monday 5th June** to the Google Classroom and **bring your model into school on that day.**

We will be holding a mini exhibition in school for parents to see all your amazing work on **Monday 5th June** at the end of the school day.
