Dear Parents,

Curriculum Enrichment

We have had a range of visiting speakers and off site educational visits as well as local field trips this half term contributing to our engaging curriculum - a huge thank you to the parent volunteers who have supported on some of these visits. Our Nursery pupils have shown wonderful empathy and kindness whilst sharing the Nursery with ducklings this week and we were thrilled with the wide range of super heroes represented at Reception's SuperHero day yesterday - firefighters, doctors, nurses etc. Pupils across the whole school enjoyed a wonderful Science Day today - thank you to all those parents who contributed by reading Science stories for the children!

Statutory Assessments

We have been incredibly proud of the resilience our students have shown when taking Year 2 and Year 6 statutory assessments this half term. Our pupils were well prepared for these assessments and lots of our Year 6 pupils talked about the sense of achievement when they had finished the tests as well as feeling really proud of themselves for being able to show off how much they have learnt throughout their primary education. We look forward to sharing these results with parents in their end of year reports.

DT Challenge

All classes have been invited to practise their construction skills over half term and bring their completed model to school on Monday 5th June. The theme is King Charles's coronation. Children might like to create a throne, carriage or even a palace! Flyers with more information have gone home in book bags.

Parent Pay - Debt

Our admin team has been chasing debt on parentpay this week. We politely ask parents to clear any outstanding payment items before next half term. Parents are asked to pay for lunch and breakfast club fees in advance - we do not allow debts over £20 per family.
