Dear Parents,

It has been wonderful to see how rich and broad our curriculum has been over the past few weeks with workshops and visiting speakers, local walks and visits, sports competitions and parent coffee mornings. We are hugely grateful to the many parent volunteers who support with class weekly swimming sessions or local visits as these would not be possible without the additional adult support. Thank you to all the parents who have offered to volunteer again regularly this year and who attended our parent volunteer safeguarding session earlier this week. Please complete the form [here](#) to record your availability. If you noted this down at the session we would be really grateful if you could also complete this google form.

### **Books going home this evening**

In advance of our Parents' Evening next week pupils from Year 1 to Year 6 will be bringing home their maths and English books in book bags this evening. We hope you enjoy looking through your child's work over the weekend and hearing what they are most proud of in these curriculum subjects. Last year we adopted our new Feedback Guidelines which can be found on the policies page of our school website.

Please ensure your child returns their books to school on Monday, 16th October so learning can continue. All other books will be available in classrooms at the Open Afternoons next week:

**Grove Site Open Afternoon Year 1 and Year 2: Monday, 16th October 2.15pm-3pm**  
**Broadway Site Open Afternoon Year 3 to 6: Tuesday, 17th October 2.15pm-3pm**

We know that not all parents will be able to attend the open afternoon and we plan for this in advance so please don't worry if you are not able to make it. It is a little early in the year for our classrooms to be full of unknown adults for our youngest learners in Nursery and Reception but we hope you familiarised yourselves with the learning environments during your teacher meetings and stay and play sessions at the beginning of term.

Our Reception staff have been busy carrying out our statutory Reception Baseline Assessments at the beginning of term. Nursery and Reception parents are invited into classrooms in the Spring Term when we hold our curriculum workshops and will be able to view their child's online learning journals after the Nursery and Reception Information sessions which take place after half term.
