

Collective Worship Hymn Reflection

Wednesday, 7th February, 2024

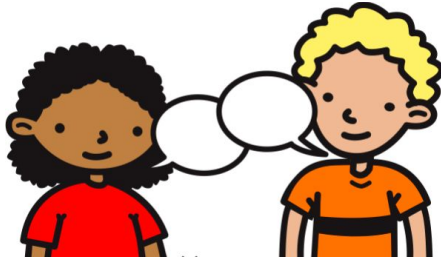

Pro Deo et Ecclesia

Listen to the worship song. You can sing along or clap along if you would like to!

Verse 2

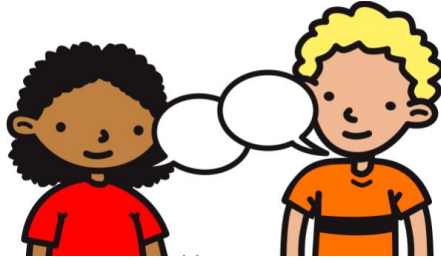

Jesus taught us how to live in harmony (x2)

- What do you think it looks like to 'live in harmony'?
- What might it look like if we don't 'live in harmony'?
- How do you think Jesus helps us to 'live in harmony'?

Verse 2

Different faces, different races, he made
us one

- What does this part of the verse teach us about Jesus?
- What does this part of the verse teach us about what God's people, the church, look like?

Reflection:

How can you help our school to be a place of harmony this week?

Prayer: Thank God that it does not matter where you are from or what you look like - everyone is loved by God and invited to be part of God's people!
