Pro Deo et Ecclesia

Listen to the song together - you can sing along or clap along if you would like to!

Verse 1

Jesus put this song into our hearts (x2)
It's a song of joy no-one can take away.

- What sort of song does the verse say Jesus has put in our hearts?
- Why do you think Christians feel that Jesus puts joy in their hearts?

Reflection:

Think about the things that make you feel joyful.

Prayer:

Give thanks to God for the things in your life that brings you joy. If you would like to, thank God for Jesus who loves us and died for us so we can be forgiven. Knowing we are loved and forgiven can bring us joy!
