Pro Deo et Ecclesia

The Servant Song

Christian Hymn | Music by R. Gillard & B. Pulkingham

Listen to the hymn and sing along if you would like to.

The last verse of the hymn talks of

"Christ's love and agony."

What does agony mean?

Which event in the bible do you think this phrase is speaking about?

Over the holidays Christians all over the world will be celebrating the festival of **Easter**.

This is when we remember that Jesus **loved** the world so much that he was willing to die a **painful death** on the **cross** to save us from our sins.

Christians remember Jesus' death on the cross on **Good Friday**. It was Jesus' final act of **love and service** to us, to lay down his life so our sins could be forgiven.

Reflection:

Lent is the 'countdown' to Easter. Use this time of Lent to reflect on how much Jesus' loves you.

Prayer:

Thank God for Jesus and for the forgiveness that is offered through the cross at Easter.
