

Collective Worship Hymn Reflection

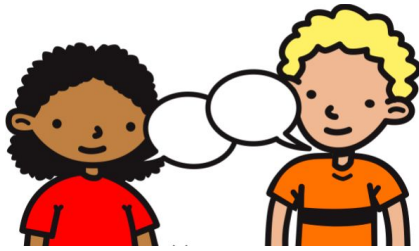

Wednesday, 5th June, 2024

Pro Deo et Ecclesia

Teacher note:
you will need
to click **play**
and then click
on the link to
You tube as
this video
won't play
within the
slide.

Play the hymn - sing and dance along if you would like to.

What do you think it means that 'He's got the whole world in his hands?'

How does those words make you feel?

The bible teaches us that God created the world and that the whole world belongs to him. The bible teaches us that even though sometimes we do things that harm the world, every day God continues to look after and care for his world and for all the plants, animals and people who live in it.

Reflection:

Think about something you have done this week to look after God's world. What could you do tomorrow?

Prayer:

Thank God for his beautiful world. Thank God that he continues to look after and care for the world and for everyone in it.
