

What makes me special?

How am I different to other people?

What do I use my senses for?

Who is in my family?

How are my family the same/different to me?

What do I like
seeing/tasting/smelling/touching/listening to?

Key Knowledge - Senses

- We have body parts that help us sense the world around us.
- We have five different senses - see, hear, smell, taste and touch
- We use these senses to help us do different things.

Key Knowledge - About me!

- We are all different in how we look - we have different skin colour, eye colour and hair colour.
- We are different in what we like and don't like.
- We have different hobbies
- When drawing a picture of ourselves we must include our eyes, ears, mouth, nose, hair and other special features we have.
- When at school we must follow the 3 school rules - Be Safe; Be Kind; Be an Active Learner
- We need to understand why they are important.
