

Collective Worship Hymn Reflection

Pro Deo et Ecclesia

Listen to the hymn 'Peace is flowing like a River'.

Peace is flowing like a river,
Flowing out through you and me
Flowing out into the desert,
Setting all the captives free.

- What do you think it might look like if 'peace' flows through us?
- What might our friendships be like?
- What might we see in our classrooms and playgrounds?

Reflection:

What can you do to help your classroom be a place where peace is found this week?

Prayer:

Thank God that he is a God who brings peace. Ask God to help us all be channels of his peace this week.
