

Collective Worship Hymn Reflection

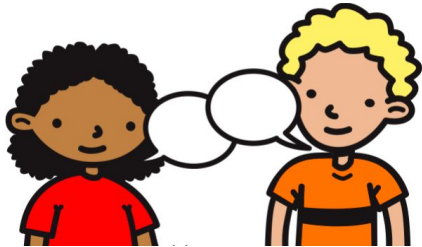

Wednesday, 17th December, 2024

Pro Deo et Ecclesia

Listen to the carol and sing along if you would like to.

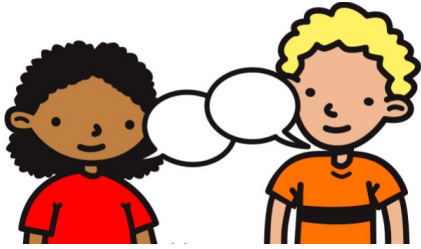

Do you remember what the first
verse and chorus of the carol
calls us to come and do?

The carol tells us to
come and see Jesus, to
come joyfully to love and
worship him this
Christmas!

Think about the words of the second
verse.

- Who does it say is singing?
- What do you think the tricky word **exultation** means?

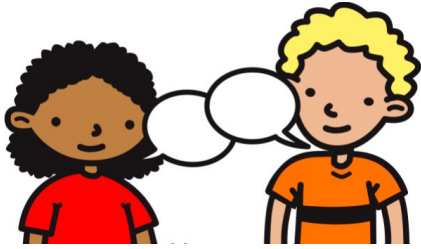

**Sing, choirs of Angels,
Sing in exultation
Sing all ye citizens of
heaven above;
Glory to God
In the highest.**

**The verse asks the choirs of angels
to sing (and everyone else who is in
heaven!)**

**Exultation means with great joy,
happiness and jubilation!**

A choir of angels sang in the sky to tell the shepherds that their saviour was born - the bible says there was a 'great company' of angels - there may have been hundreds! Wow!

Reflection:

Did you know that when we sing carols telling the Christmas story during Advent and Christmas we are following in the footsteps of the angels? How does that make you feel?

Prayer:

Thank God for his gift of love to the world, Jesus.
