Pro Deo et Ecclesia

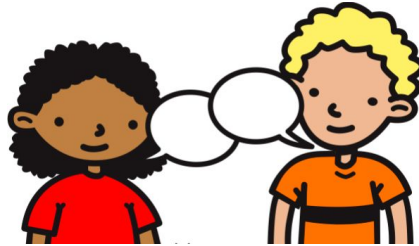

# Be Thou My Vision

4HIM

Listen to the hymn and sing along if you would like to.

We sing lots of different worship songs. Some worship songs we sing are **new** and **modern** and some are **very old** and **traditional**.

Think about the hymn 'Be thou my Vision.' Do you think it is a new worship song or an older, more traditional song? Give a reason for your answer.

The hymn 'Be Thou my Vision' is a **very, very, very old hymn**. (The use of the word 'thou' is a clue that it is an older hymn.)

The words of this hymn were taken from an old Irish poem that was first written in the 700s.

That means the words of this hymn are over **1300 years old!!**

## Reflection:

How does it make you feel to know that the words of this hymn were first written over a thousand years ago?

## Prayer:

Thank God that he is the same, yesterday today and forever and that he never changes.
