

Collective Worship Hymn Reflection

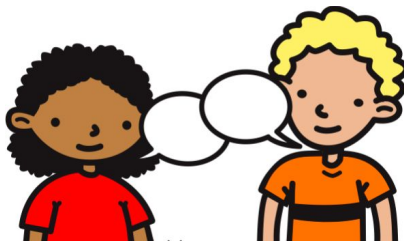

Wednesday, 24th October, 2025

Pro Deo et Ecclesia

Listen to the hymn together - sing along if you would like to and think about what each verse is asking us to do.

This hymn talks about different times when people may need our help.

When I needed...
I was....

Can you remember three of the things which are mentioned?

Did you mention some of these?

I was hungry and
thirsty....

I was cold...
When I needed a
shelter...

When I needed a
healer...

Reflection:

Have there been any times when you have helped someone in a time of need? What did you do?

Prayer:

Thank God for all the times when someone has helped you when you have needed it.
