Pro Deo et Ecclesia

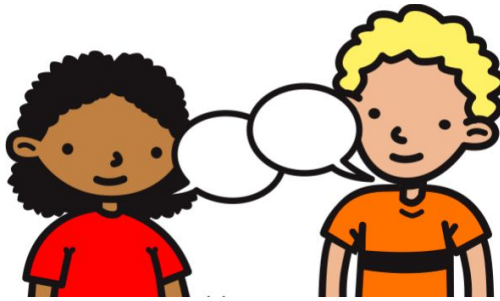

Listen to the hymn together - you can sing along if you would like to!

Discuss and Share:

- What do you think it means to 'Be Still'?
- Do you find it difficult to 'Be Still?' Why or Why not?

Discuss and Share:

- What do we do to help us 'Be Still' when we have times of collective worship together in school or a place of worship?
- How does 'being still' help us to worship and draw closer to God?

Reflection and Prayer:

Take a few moment to be still and quiet. You may like to close your eyes to help you concentrate. If you would like to, talk quietly to God in your heart asking him to be with you today.
