Friday, 19th September 2025

Dear Parents,

It has been an absolute pleasure to watch all year groups settle into their new routines over the last few weeks. We have been so proud of how quickly our pupils have established relationships with staff working in their year groups and how kind they have been to new children who have started at our school this year.

We have been particularly impressed with our new Nursery and Reception cohort who are learning the CtS rules of being safe, being kind and being active learners. Our Reception children were very impressive as they navigated the new lunchtime routines this week - and Chef Joe and his team were thrilled at the colourful Reception plates! We encourage our pupils to "eat the rainbow" and our Reception children were selecting lots of different salads from the salad bar and practising their wonderful table manners sitting alongside their peers - well done Reception!

## **Information Afternoons Feedback**

We welcomed all parents into school last week for our Nursery and Reception stay and play sessions and for our Parent Information Afternoon for Years 1 to 6. We hope you enjoyed visiting your child's new learning environment, meeting some of our specialist teachers and hearing some more about the school organisation and values. If you would like to share some feedback please complete the form [here](#). This form is primarily for parents of children in Year 1 to Year 6 but if you would like to share some general feedback on the Nursery and Reception stay and play sessions to help us improve our offer for future years please feel free to leave a comment at the bottom of the google form.

## **CtS Governing Body**

The Governing Body has recently elected co-chairs for this academic year. Dr Kate Dharmarajah and Mark Hedges, both elected Parent Governors, are the co-chairs with Father Richard re-elected as vice chair. This is a model that has worked very well for the school in the past and both Kate and Mark bring their own professional expertise to support the strategic direction of the school. We have a pro- active Governing Body and further details can be found on the website page [here](#).

## **Black History Month**

We are looking forward to celebrating Black History Month next month in school. This year our learning will centre around the Notting Hill Carnival: one of the largest celebrations of Caribbean music, culture, food and dance in the world! We know that many in our community enjoy attending this event and we would like to invite you to share with us any pictures or stories you have of being at the carnival so that we can create a display on both sites for the children to enjoy. Please send any photos, drawings by children or short pieces of writing about the event that you are willing to share to our Global Learning Lead, Ms Nicholl ([nicholl@cts-school.org](mailto:nicholl@cts-school.org)) or hand them in at the school offices. If you have attended or been involved in the carnival and would like to come and share your experiences with the children in school we would love to hear from you, please do email your child's class teacher to offer your time.

## **Macmillan Fundraising**

We will be inviting children to come to school in their own t-shirts on Friday, 26th September as we have our annual fundraising for Macmillan. Children are encouraged to donate a coin as they come through the gates - or parents may prefer to donate online [here](#). We will be hosting **cake sales** on both sites at pick up time, we would welcome your cake donations on the gates in the morning. We have raised over £20,000 over recent years for Macmillan so do give generously if you can!

### **Parent Pay APP Fraud alert**

We have been alerted to a fraudulent app in the Apple App Store that mimics ParentPay branding. ParentPay is working closely with Apple to have it removed. Please be aware:

- ParentPay **does not have an app available for download from any app stores**
- To use ParentPay, parents should visit <https://www.parentpay.com/> from a mobile phone or computer
- After logging in, parents can save a shortcut onto their phone's home screen

Very best wishes,

A handwritten signature in black ink that reads "K Tramoni". The letters are cursive and fluid.
