

Collective Worship Hymn Reflection

Wednesday, 11th February, 2026

Pro Deo et Ecclesia

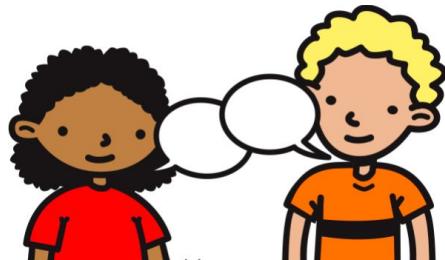

**Jesus put this song into our hearts.
Jesus put this song into our hearts.
It's a song of joy no one can take away,
Jesus put this song into our hearts.**

Listen to the worship song. You can sing along or clap along if you would like to!

Verse 2

Different faces, different races, he made us one

- What does this part of the verse teach us about Jesus?
- What does this part of the verse teach us about what God's people, the church, look like?
- Which word in our school vision shows that everyone is welcome at CTS?

Reflection:

How can you show in your words and actions that we are an inclusive school?

Prayer: Thank God that it does not matter where you are from or what you look like - everyone is loved by God and welcomed at our school.
