

Collective Worship Hymn Reflection

Pro Deo et Ecclesia

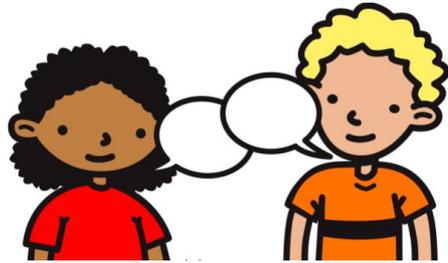

Our hymn for this week is 'Christ be our Light'.
Listen to the hymn and sing along if you would like to.

In the hymn it says:

Longing for food, many are hungry
Longing for water, many still thirst

Longing for shelter, many are homeless
Longing for warmth, many are cold

How can the church be a light like
Jesus to people in the world who
are going through difficult times?

There are lots of local charities and churches who help those who are hungry and homeless by providing food and beds for the night. Have you heard of any of these? Which one is our school going to support this Lent?

Reflection:

Think about ways in which you can be a light by offering kind words or kind actions to someone who is in need.

Thank God for all the work of **Ealing Soup Kitchen**, the church and other organisations that bring light and hope to people in need in our local community.
