Pro Deo et Ecclesia

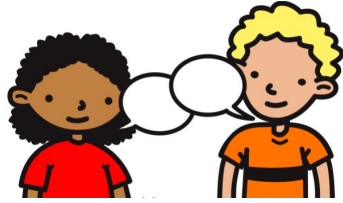

The Servant Song

Christian Hymn | Music by R. Gillard & B. Pulkingham

Listen to the hymn and sing along if you would like to.

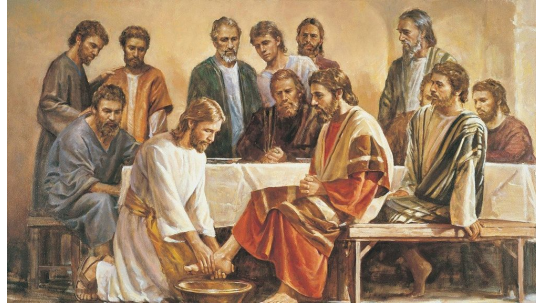

Will you let me be your servant?
Let me be as Christ to you.

The first lines of the hymn explain that if we are a servant to other people then we are being like Jesus to them.

What examples can you think of from the bible where Jesus showed that he came to serve others?

Examples of Jesus being a servant include when he fed the hungry, healed the sick and when he washed his disciples feet.

Whenever we do acts of service for other people we are following Jesus example and being 'Jesus' to them.

Reflection:

Think of all the ways people have served you this week, both at home and at school.

Prayer: Thank God for Jesus' example of service. Pray that during this time of Lent we would seek to serve each other, just as Jesus showed us.
