

Spirited Arts Competition

Join hundreds of schools worldwide participating in this year's **Spirited Arts competition!**

This competition welcomes entries in (almost!) any art form you can think of, including:

1. Art (painting, drawing, sketching)
2. Poetry
3. Photography
4. Music
5. Sculpture

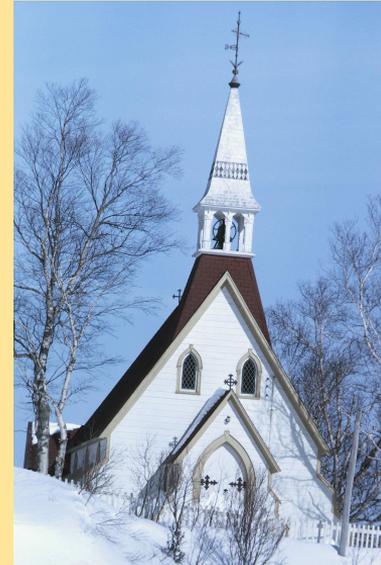

This competition is special because there are lots of options for creating your entries. They can be:

1. Individual
2. In pairs
3. Group efforts
4. Class collaboration

The theme this year is **Sacred Spaces**.

Mosque, **church**, **gurdwara** and **synagogue**: these are sacred spaces for wonder and awe, ritual and symbol.

A photograph of a mountain range with several prominent peaks covered in snow. The sky is a clear, bright blue. The foreground shows dark, rocky terrain.

Some people's sacred space is the **beach**, the **mountains**, the **riverside**. Others find it in the city or another unusual place - **can God be found there?**

Task: Over the Easter holidays, **create art about a sacred space that matters to you**. Bring this into school with you after the holidays for our school gallery. Deadline: **Friday 17th April**.
