Pro Deo et Ecclesia

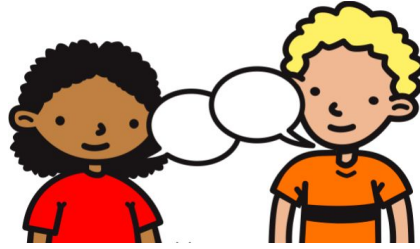

Listen to the hymn and sing along if you would like to.

What adjective does this hymn use to describe our heart? What does the adjective mean?

Older children: Can you think of a synonym for the adjective? Can you think of an antonym?

The hymn says that our hearts should be grateful and that we should give thanks.

What do you think that giving thanks looks like?

What might it look like if we don't give thanks?

Reflection:

Think of five things that you are thankful or grateful for. Count them off on your fingers!

Prayer: Thank God for all the things you have thought of.
