

Collective Worship Hymn Reflection

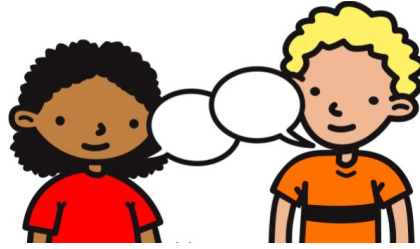

Wednesday, 17th June, 2026

Pro Deo et Ecclesia

Listen to the hymn and sing along if you would like to.

This hymn talks about "all creatures great and small" being made by God.

- What are the biggest animals you can think of?
- What are the smallest animals you can think of?
- What is your favourite animal and why?

Reflection:

Think about all the animals in the world from the biggest to the smallest. Which animal amazes you the most?

Prayer:

Thank God for his beautiful world and all the wonderful animals he created. Ask God to help us to protect them and look after them well - from the biggest to the smallest!
