

Collective Worship Hymn Reflection

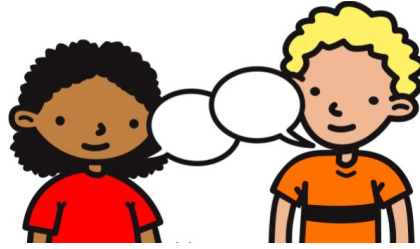

Wednesday, 8th July, 2026

Pro Deo et Ecclesia

Listen to the hymn and sing along if you would like to.

- What does this hymn say our heart should be like?
- Why does this hymn say we should be thankful?
- Why is Jesus someone Christians can be thankful for?

The hymn encourages us to
have **grateful hearts**
because God loves us and
sent his son **Jesus**.

Jesus came to earth,
taught us how to live and
then **died on the cross** so
that everyone's sins could
be **forgiven!**

Reflection:

What has happened today that you can be thankful for?

Prayer:

Thank God for loving us and giving his son, Jesus.
