CLUBS RUN FOR 11 WEEKS: 21 SEP - 7 DEC					

Club payments

Parents can ask the school office for access to a computer if needed. Payments for breakfast club and after school clubs must be made in advance.

Refunds

Refunds are only provided if a club does not run. Fees cannot be refunded if a child changes their mind, or a day becomes inconvenient.

Dress code

Pupils wear school uniform or school PE kit for all clubs held at school. School PE uniform may be worn all day if a child attends a sports club.

Collection

Please collect children promptly at 4pm at both sites.

By signing up for a club you are agreeing to pay for the club for the whole term irrespective of whether your child attends all sessions. Some clubs are more popular than others and all have a maximum number of children that can participate, therefore we operate a waiting list for oversubscribed clubs. Please email: **admin@cts-school.org** if you wish your child to be added to a club's waiting list.

Behaviour

At Christ the Saviour School we have high expectations for behaviour during the school day and these expectations are the same for children attending extra-curricular clubs. If a child's behaviour impacts other children attending the club, parents will be informed. Club leaders have the right to discontinue a child's attendance if a child's behaviour does not improve. No refund will be paid in these circumstances.

Administration charges

An administration fee of £10 will be charged if alterations to bookings are requested and agreed.

Refunds

Refunds will only be made if the club is unable to run. Refunds are not provided if the club moves indoors in bad weather or if your child does not wish to continue. Please ensure you do not book clubs that run on the same day, as we will not offer refunds in this case.

Pick-up

All clubs finish at 4pm on both sites. Please collect your child promptly at 4pm. Late collection from clubs will incur late charges. If parents arrive at school after 4.10pm for collection a charge of £5 will be added to their ParentPay account. Collections later than this will incur further charges. If you have children at clubs at both sites on the same day, please do try to share pick-ups with other families. If you know you will be late to collect your child please book them into SSUK, which is open until 6pm each evening. Bookings can be made via their website: **www.ssukkids.com**.

Disclosure of information

To ensure that club leaders are able fully and safely to meet the needs of the children in their care, we ask your consent for us to provide relevant information about your child to the club leader. Please let us know if you do not consent to this.
