

The Governing Body of Christ the Saviour Church of England School - Governors' Details and the Register of Interests

Updated September 2026

The Governing Body changed the *Terms of Reference* in September 2026 to create a flat structured governing body - often called a “circle model” of Governance where business is conducted in Full Governing Body meetings without delegating to committees. The anticipated benefits include: shared knowledge, better teamwork, time saving, a broader understanding and a stronger strategic focus. Governors work in triads, identified on the Governor portfolio, to monitor areas of responsibility feeding back to the Full Governing Body through comprehensive visit reports and verbal discussions. Some committees remain for specific areas such as pay or performance as listed in the *Terms of Reference*.
