Pro Deo et Ecclesia

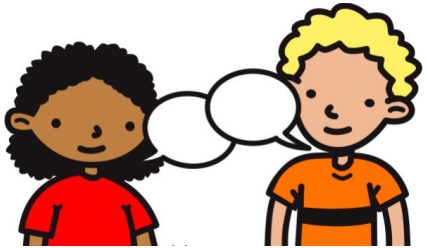

Listen to the hymn and sing along if you would like to.

This hymn is called 'Christ Triumphant' and they are are the first two words of the hymn.

- What do you think the word triumphant means?

If you are triumphant it means that you have won a great victory or contest or battle.

Think about the stories from the bible that you know.

- In what ways do you think Jesus is triumphant?

Did you mention some of these ways?

Jesus is triumphant when he does miracles and he defeats illness and disease.

Jesus is triumphant when he rises from the dead and he defeats death.

Jesus is triumphant when he goes up to heaven where he now rules in heaven with God the Father.

Reflection:

Reflect on how it makes you feel to know that Jesus is triumphant and that he can defeat all sickness, illness and even death.

Prayer:

Thank God for his power and might and his loving care.
